1. Welcome to the Student Parking Handbook

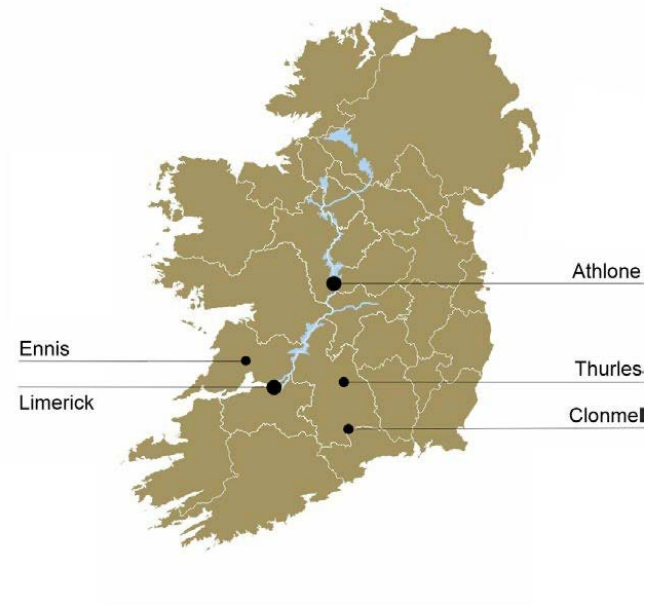
1.1 Purpose

Welcome to the Student Parking Handbook. The purpose of this handbook is to provide a wide source of information for students travelling to TUS.

Parking availability and arrangements can vary between campuses. Students are encouraged to check the information relevant to their campus before travelling and to follow all campus signage, parking restrictions and local road regulations.

This handbook has been developed to provide students with clear and practical information about parking across TUS campuses. It outlines relevant parking charges, regulations, and alternative parking options where on-campus parking is limited or unavailable.

The handbook also provides information on sustainable travel options, including walking, cycling, public transport and carpooling, to help students make informed choices about how they travel to and from campus.



1.2 Parking at TUS

On Campus parking capacity is limited. However, a number of alternative parking locations adjacent to campuses are available. Students should therefore plan their journey in advance and be familiar with alternative parking options.

When parking on or around all campus, students must comply with the following requirements:

- Park only in designated and permitted areas.
- Follow all campus parking signage and road markings.
- Keep emergency access routes, entrances and exits clear.
- Use accessible parking spaces only where authorised.
- Park safely and considerately.
- Respect pedestrians, cyclists, other road users and local residents.
- Follow all applicable campus and public-road parking regulations.

Alternative free parking is provided where campus parking is full. Parking in local residential areas is not recommended or permitted. Surrounding residential streets and public areas should not be treated as an extension of campus parking. Students are asked to be considerate of local communities and to avoid obstructing driveways, footpaths, entrances or access routes.

If you are a student in:

- Athlone - Go to page 6
- Moylish - Go to page 11
- Clare Street - Go to page 15
- Coonagh - Go to page 18
- Thurles - Go to page 20
- Clonmel - Go to page 22

1.3 Sustainable Travel

TUS is committed to supporting sustainable travel and reducing the environmental impact associated with travel to and from our campuses.

Students are encouraged to consider the most sustainable and practical travel option available to them, including:

- Walking
- Cycling
- Public transport
- Carpooling

Where practical, choosing an alternative to travelling alone by car can help reduce congestion, parking demand and carbon emissions, while also contributing to a safer and more accessible campus environment. Students are encouraged to explore the available options and plan their journey before travelling to campus.

TUS Smarter Travel provides information and support on sustainable travel options available across our campuses.

2 Athlone Campus Parking

2.1 Student Parking

Athlone campus provides parking for students, staff, visitors, and those with accessibility requirements.

Parking spaces on campus are limited, and availability cannot always be guaranteed. All students using campus parking are responsible for familiarising themselves with the applicable parking regulations, following the signage displayed throughout the campus and alternative parking options if there is no parking available.

List of parking facilities provide both on and off campus:

1. On campus - Available in both the Main Campus and East Campus.

   Payment options:

   - Student Parking Permit: Students who purchase an annual parking permit can park in designated permit parking areas on campus, subject to availability and applicable parking regulations.
   - Pay-and-Display Parking: Students can also use designated pay-and-display parking areas by paying the applicable parking charge.

2. Off campus - Garrycastle GAA Club (Free parking)

3. Off campus - Willow Park Soccer Club (Free parking)

Students who intend to park on campus regularly are encouraged to consider purchasing an annual permit. See section 2.2.

Please note:

- Having a parking permit does not guarantee a parking space. Students must park only in designated areas and follow all campus parking regulations. Students must have a valid parking permit and should ensure that their vehicle is correctly registered on the parking system before parking on campus.
- Other car parking facilities around campus that are not listed above, may be privately/commercially owned. Students are advised that if they park in these other carparks, the car may be clamped if parked without payment or if the time limit for parking is exceeded. We strongly advise all students to use the free alternative parking options if on campus parking is full.

2.2 How to Apply for a Student Parking Permit

Step 1 – Visit the TUS website

Go to the TUS website and search for Athlone Campus Parking.

Step 2 – Access the parking permit system

On the Athlone Campus Parking page, select: Purchase a TUS Athlone Campus Parking Permit

Step 3 – Log in or create an account

If you already have an account, select Login and enter your details.

If you are a new user, select Create Account and choose Personal as the account type.

You will be asked to provide your personal and vehicle details, including your vehicle registration number.

Step 4 – Apply for the student permit

Search for TUS Midlands and select Apply for Permits.

Select: TUS Midlands Student Permit

Step 5 – Select your vehicle

Under Assigned Vehicle(s), select the vehicle you intend to use on campus.

Select your required Start Date and Start Time.

You can also choose to set an expiry reminder.

Step 6 – Submit your application

Read and accept the parking Terms and Conditions and select Next to submit your application.

Permit Approval

You will receive an email confirming whether your parking permit application has been approved. Once approved, your digital parking permit becomes active on the parking system.

Important: Make sure the vehicle registration associated with your permit is correct before parking on campus. Only one vehicle can be assigned to a parking permit at any one time. Additional vehicles can be stored on your account and the vehicle assigned to the permit can be changed when required.

A TUS student parking permit allows the permit holder to park in a standard marked parking space appropriate to the student permit, where a space is available.

A parking permit:

- Does not guarantee a parking space.
- Does not allow parking in reserved spaces unless authorised.

- Does not allow parking in accessible parking spaces unless the appropriate entitlement applies.
- Does not allow parking in designated paid parking spaces unless the applicable parking charge is paid.

2.3 Parking Costs

- Student parking permits are currently €20 annually.
- Students can also use designated pay-and-display parking areas by paying the applicable parking charge.

2.4 Accessible parking

TUS Athlone campus provides designated accessible parking spaces to support students, staff and visitors with accessibility requirements. Designated accessible parking spaces are available on both the Main Campus and East Campus.

Accessible spaces are reserved for vehicles displaying a valid Disabled Person's Parking Permit. The permit must be clearly displayed when parked in an accessible space.

Accessible parking rules:

- Only use accessible spaces if you are authorised to do so.
- Display your valid permit/card clearly.
- Park within the designated space.
- Keep accessible spaces available for those who need them.
- Follow all other campus parking regulations.

2.5 When Campus Parking is full

Parking on campus is limited and spaces cannot always be guaranteed, particularly during busy periods.

If there are no available spaces, do not park in a restricted or unsuitable area. Instead, use one of the designated free alternative parking options available to TUS students and staff.

TUS provides free alternative parking at the following locations:

1 - Car Park 17 – Garrycastle GAA Club

- Approximately 20-minute walk to campus.
- Eircode:N37 DN28
- Available Monday–Friday, 7:00am–6:00pm.
- No parking permit required.

2 - Car Park 18 – Willow Park Soccer Club

- Approximately 6-minute walk to campus.
- Eircode: N37 AW68
- Available Monday–Friday, 7:00am–6:00pm.
- No parking permit required.

These car parks are available to TUS students and staff free of charge and provide an alternative when campus parking is full.

Students are encouraged to use these facilities rather than parking in restricted areas or surrounding locations where parking may obstruct access or impact local residents and other road users. We strongly advise all students not to park in the residential areas.

2.6 Athlone Campus Parking Map

https://tus.ie/app/uploads/ProfessionalServices/Estates/Midlands/ParkingDocs/TUS_Midlands_Car_Parking_Map_2023_R1-Layout1.pdf

2.7 Smarter Travel Options

There are a number of ways to travel to TUS Athlone Campus. Students are encouraged to consider the most practical and sustainable option for their journey.

1. **Public Transport**

TUS Athlone is accessible by both bus and train with local bus services providing connections to the campus.

2. **Walking**

Walking can be a convenient option for students living close to campus.

The campus is approximately a 25 minute walk from Athlone Railway Station.

3. **Cycling**

Cycling is another sustainable way to travel to campus. Students can use the designated bicycle parking facilities available on campus. Hot showers, lockers and changing rooms are available.

4. **Carpooling**

If driving is necessary, consider car-sharing with friends or classmates travelling from the same area. Sharing a journey can help reduce the number of vehicles travelling to campus, ease demand for parking and reduce travel costs.

We have 32 designated carpooling spaces on campus.

Register here: commuting-carpooling-regform-R1.pdf

Plan Your Journey

Before travelling to campus, consider:

- Can I walk or cycle?
- Is public transport available?
- Can I share a journey with another student?
- Is campus parking likely to be busy?
- Could I use one of the free alternative car parks?

Find our more information on commuting to the Athlone campus here:

Athlone Campus Smarter Travel - TUS

2.8 Public Parking

Students who choose to park in public car parks or public parking spaces outside TUS are responsible for familiarising themselves with the applicable parking regulations before parking.

Students should check the relevant parking operator or local authority website in advance for information on parking charges, payment methods, time limits, permitted parking hours and any other restrictions. Parking conditions can vary between locations. Failure to comply with the applicable terms and conditions, or parking in an unauthorised or restricted area, may result in a parking fine or vehicle clamping.

A list of pay and display public parking options in Athlone town can be found here: Westmeath County Council (WCC) Our Services

Please note:

Other car parking facilities may be privately/commercially owned. Students are advised that if they park in these carparks, the car may be clamped if parked without payment or if the time limit for parking is exceeded.

We encourage all students to use the free off campus parking facilities provided by TUS in section 2.6 if on campus parking is full.

3 Moylish Campus Parking

3.1 Student Parking

Moylish campus provides parking for students, staff, visitors, and those with accessibility requirements.

Parking spaces on campus are limited, and availability cannot always be guaranteed. The Moylish Campus is located within a residential area, so all students using campus parking are asked to park responsibly, follow the parking signage and respect the surrounding community. If parking is not available on campus, we ask that you do not park in residential areas and make use of the free alternative parking facilities - TUS Gaelic Grounds and Limerick Baptist Church.

List of parking facilities provide both on and off campus:

1. On Campus – Several car parks are available on campus for student parking.
   See section 3.2 on how to pay for parking.

2. Off campus - TUS Gaelic Grounds (Free parking. Open from 8.30am to 6.30pm)

3. Off campus – Limerick Baptist Church (Free parking)

4. Off campus – Coonagh Campus (Free parking with a shuttle bus to the Moylish Campus every hour from 8am -6pm)

Please note:

Other car parking facilities around campus that are not listed above, may be privately/commercially owned. Students are advised that if they park in these other carparks, the car may be clamped if parked without payment or if the time limit for parking is exceeded. We strongly advise all students not to park in the residential areas and to use the free alternative parking options if on campus parking is full.

3.2 How to Pay for Student Parking

Pay-and-Display

When using a pay-and-display machine in the TUS campus car park

1. Select the required parking duration.
2. Make the applicable payment.
3. Collect your parking ticket.
4. Clearly display the ticket inside your vehicle windscreen.

APCOA Connect app

Students can also use the APCOA Connect app to pay for parking in the TUS campus car park

To use the app:

1. Download the APCOA Connect app.
2. Enter the Moylish location code: **1089**.
3. Select your vehicle.
4. Select the required parking duration.
5. Make payment through the app.

3.3 Parking Costs

The current cost of student parking at Moylish campus is:

Per hour **€0.50**

Per day **€2.00**

Per week **€8.00**

The same charges apply when paying through the cashless parking system.

Please ensure that your parking payment remains valid for the duration of your stay and you are parked in a designated spot.

3.4 Accessible Parking

Designated accessible parking spaces are available on campus. Check out the map of the Moylish campus for designated Accessible Parking locations.

Accessible spaces are reserved for vehicles displaying a valid Disabled Person's Parking Permit.

Students should:

- Only use accessible spaces if authorised to do so.
- Clearly display the appropriate permit.
- Park within the designated space.
- Keep accessible spaces available for those who require them.

Accessible parking spaces should not be used simply because they are vacant.

3.5 When Campus Parking Is Full

Parking can be busy, particularly during peak periods.

If campus parking is full, students should not park in restricted areas, on footpaths, grassed areas or surrounding residential areas where parking may cause an obstruction.

TUS provides a number of free alternative parking options.

1 - TUS Gaelic Grounds

- Access via Corrib Drive – Gates 5 and 6.
- Eircode: V94 CF77
- Located beside Chill The Beans coffee shop.
- Free secured parking available.
- Open from 8.30am to 6.30pm

2 - Limerick Baptist Church

- Eircode: V94 A564
- Free parking available.

3 - TUS Coonagh Campus

- Free parking available**.**
- Eircode: V94 TW71
- A free TUS shuttle bus operates between Coonagh Campus and Moylish Campus.

  TUS Shuttle Bus - Moylish Campus, Coonagh Campus, Na Piarsaigh GAA - TUS

Students are encouraged to use these designated facilities when campus parking is full rather than parking in surrounding residential areas or other restricted locations.

3.6 Moylish Campus Parking Map

Midwest Campuses Maps - TUS

3.7 Smarter Travel Options

Students are encouraged to consider sustainable smarter travel options when travelling to the Moylish Campus.

Public Transport

Moylish Campus is served by public transport, including Bus Éireann Route 302, which provides a connection between Limerick city centre and Moylish.

Walking

Moylish Campus is approximately a 20-minute walk from Limerick city centre.

Cycling

Moylish Campus is approximately a 10-minute cycle from Limerick city centre. New cycle lanes connecting the city to TUS Moylish campus have been installed. Secured covered bicycle parking facilities are available on campus.

Carpooling

Students who need to drive are encouraged to consider carpooling with classmates where practical. Sharing journeys can help reduce congestion, travel costs and demand for parking.

Free Shuttle Bus

TUS operates an hourly free shuttle bus service between Moylish Campus, Coonagh Campus and Na Piarsaigh GAA for students and staff during the academic year. Operating Monday to Friday 8am – 6pm.

This provides students with an option to park for free at designated alternative locations and use the shuttle to travel to Moylish

Students should check the current shuttle timetable before travelling, as times may change.

Find our more information on commuting to the Moylish campus here:

Moylish Campus Smarter Travel - TUS

4 Clare Street Campus Parking

4.1 Students parking on campus

TUS Clare Street Campus provides 95 parking spaces for students, staff and visitors. Due to the campus's city-centre location and limited parking capacity, spaces cannot always be guaranteed.

Students using campus parking are responsible for following all parking signs, road markings and parking regulations.

George's Quay and Merriman House Students

Students attending George's Quay and Merriman House Campus can also use the Clare Street Campus parking facilities. Clare Street Campus is approximately an 8-minute walk from George's Quay and 5 minute walk from Merriman House.

4.2 How to Pay for Student Parking

Students can pay for parking at Clare Street using either the pay-and-display machines or the APCOA Connect app.

Pay-and-Display

When using a pay-and-display machine:

1. Select the required parking duration.
2. Make the applicable payment.
3. Collect your parking ticket.
4. Clearly display the ticket inside your vehicle windscreen.

APCOA Connect app

Students can also use the APCOA Connect app to pay for parking.

1. Download the APCOA Connect app.
2. Enter the Clare Street location code: **0690**.
3. Select your vehicle.
4. Select the required parking duration.
5. Make payment through the app.

4.3 Parking Costs

The current cost of student parking at Clare Street is:

Per hour	**€0.50**
Per day	**€2.00**
Per week	**€8.00**

The same charges apply when paying through the cashless parking system.

Please ensure that your parking payment remains valid for the duration of your stay and you are parked in a designated spot.

4.4 Accessible Parking

Designated accessible parking spaces are available for those who require them.

Students using an accessible parking space must display a valid Disabled Person's Parking Permit. Accessible spaces should only be used by those who are authorised to do so.

Please keep accessible parking spaces available for those who need them.

4.5 When Campus Parking Is Full

There are 95 parking spaces available at Clare Street Campus, so parking can be limited during busy periods.

If campus parking is full, students should not park in unauthorised areas, private spaces, footpaths or locations where their vehicle may obstruct access.

Alternative Parking

Students can use nearby public car parks in Limerick City, charges may apply.

Nearby public parking options:

- Merchants Quay
- King John's Castle
- Arthur's Quay

Students should check the relevant car park for current charges, opening times and conditions before parking.

4.6 Smarter Travel Options

Clare Street Campus is centrally located in Limerick City, making it accessible by walking, cycling and public transport.

Walking

The city-centre location makes walking a practical option for many students travelling to Clare Street.

Cycling

Clare Street Campus is approximately a 5 minute cycle from Limerick City Centre.

Bike parking is available outside the front of the building, with additional bicycle parking in the campus courtyard.

Public Transport

The nearest bus stop is located directly outside the front entrance of Clare Street Campus and is served by Bus Éireann Route 304A.

Other nearby services include Routes 323, 332, 305 and 306.

Train

Limerick Colbert Train Station is approximately 1.3 km from Clare Street Campus.

Students can walk from the station or use local bus services to reach the campus.

Carpooling

Students who need to drive are encouraged to consider carpooling where practical. Sharing journeys can reduce travel costs, congestion and demand for parking.

Find our more information on commuting to the Clare Street campus here:

Clare Street Campus - Commuting and Smarter Travel - TUS

5 Coonagh Campus Parking

5.1 Students Parking on Campus

Coonagh Campus provides free parking for students and staff.

The campus is located just off the Coonagh Roundabout on the Ennis Road (N18), approximately 10 minutes by car from Limerick City Centre Eircode - V94 TW71.

240 parking spaces are available on campus. Students using campus parking are responsible for following all parking signs, road markings and campus parking regulations. Please park in the TUS car parking spaces and refrain from parking in the Tesco Carpark.

5.2 Parking Costs

Student parking at Coonagh Campus is free of charge. No parking payment or student parking permit is required when using the designated student parking spaces.

Students must still comply with all parking restrictions and signage.

5.3 Accessible Parking

Designated accessible parking spaces are available for those who require them.

Students using an accessible parking space must display a valid Disabled Person's Parking Permit. Accessible spaces should only be used by those who are authorised to do so.

5.4 When Campus Parking Is Full

There is ample parking at the Coonagh Campus and spaces should always be available.

However, should parking be unavailable, Students can also make use of the following free alternative parking facilities:

TUS Gaelic Grounds

- Access via Corrib Drive – Gates 5 and 6.
- Located beside Chill The Beans coffee shop.
- Free parking available.

Limerick Baptist Church

- V94 A564
- Free parking available.

If the Coonagh Campus car park is full, students should not park in restricted areas, on footpaths, grassed areas or anywhere that obstructs access.

5.5 Smarter Travel Options

Coonagh Campus can be accessed by a range of transport options.

Public Transport

Coonagh is served by a number of bus routes.

- The 302 operates frequently between Limerick City Centre and Caherdavin. While it does not stop directly at Coonagh Roundabout, students can alight at nearby stops such as Blackthorn Drive or Caherdavin Community Centre, which are approximately a 10–15 minute walk to campus.
- Routes 317, 317A, 330X and 343 serve Coonagh Roundabout, approximately a 3-minute walk from campus.
- Route 343 provides connections for students travelling from areas including Shannon and Ennis.

Cycling

The Coonagh Campus is just a 15-minute cycle from Limerick City Centre. There is a covered bike shed on campus, giving you a safe place to store your bike during the day.

Walking

Students living locally may also consider walking to campus.

Carpooling

Students who need to drive are encouraged to consider carpooling with classmates where practical. This can reduce travel costs, congestion and demand for parking.

Free TUS Shuttle

A free shuttle bus operates between the Moylish Campus and Coonagh Campus, providing a convenient option for students travelling between the two campuses.

Students should check the current shuttle timetable before travelling.

Find our more information on commuting to the Coonagh campus here:

Coonagh Campus Smarter Travel - TUS

6 Thurles Campus Parking

6.1 Students Parking on Campus

TUS Thurles Campus provides free parking for students and staff, with ample parking spaces available on campus.

Students using campus parking are asked to park responsibly, follow all parking signage and road markings, and ensure that entrances, walkways and emergency access points remain clear. While TUS Thurles currently has ample parking, students should always park only in designated areas and follow the applicable parking regulations.

6.2 Parking Costs

Student parking at TUS Thurles is free of charge.

No parking payment or student parking permit is required when using the designated campus parking spaces.

6.3 Accessible Parking

Designated accessible parking spaces are available for those who require them.

Students using an accessible parking space must display a valid Disabled Person's Parking Permit. Accessible spaces should only be used by those who are authorised to do so.

6.4 Smarter Travel Options

TUS Thurles is located close to Thurles town centre, making it accessible by a range of transport options. The campus is well served by the Irish Rail network, Transport for Ireland services, Local Link and other private bus operators.

Train

Thurles Railway Station provides rail connections to locations including Dublin, Limerick and Cork.

Public Transport

Thurles is served by public bus and Local Link services, providing connections to the surrounding area.

Walking

The campus is located just minutes from Liberty Square in Thurles town centre, making walking a practical option for students living or staying nearby.

Cycling

There are ample bike parking spaces around the campus, all in well-surveilled areas, so you can park your bike safely while you attend classes.

Carpooling

Students who need to drive are encouraged to consider carpooling where practical. Sharing journeys can reduce travel costs, congestion and the environmental impact of travelling to campus.

Find our more information on commuting to the Thurles campus here:

Thurles Campus Smarter Travel - TUS

7 Clonmel Campus Parking

7.1 Students Parking on Campus

TUS Clonmel Campus provides free parking for students and staff, with ample parking spaces available on campus.

The campus is located just minutes from Clonmel town centre and is easily accessible by road.

Students using campus parking are responsible for following all parking signage and road markings and should park considerately to ensure the campus remains safe and accessible for everyone.

7.2 Parking Costs

Student parking at TUS Clonmel is free of charge.

No parking payment or student parking permit is required when using the designated campus parking spaces

7.3 Accessible Parking

Designated accessible parking spaces are available for those who require them.

Students using an accessible parking space must display a valid Disabled Person's Parking Permit. Accessible spaces should only be used by those who are authorised to do so.

7.4 Smarter Travel Options

TUS Clonmel is located close to Clonmel town centre, making a number of sustainable travel options available.

Walking

The campus is approximately a 15-minute walk from Clonmel town centre, making walking a practical option for students living locally.

Cycling

The campus has bike racks available for safe and convenient parking during the day. The Campus is just a 5-minute cycle from Clonmel town centre.

Public Transport

Students can use local and regional bus services to travel to Clonmel Campus.

Carpooling

Students who need to drive are encouraged to consider carpooling with classmates where practical. Sharing journeys can reduce travel costs, congestion and emissions.

Find our more information on commuting to the Clonmel campus here:

Clonmel Campus Smarter Travel - TUS

8 Parking in Residential Areas

All TUS campuses are located within or close to residential communities. Alternative free parking is provided by where campus parking is full. Surrounding residential streets and public areas should not be treated as an extension of campus parking. Students are asked to be considerate of local communities and to avoid obstructing driveways, footpaths, entrances or access routes.

Please remember:

- Do not block driveways, entrances or access routes.
- Do not park on footpaths, grass verges or other areas not designated for parking.
- Do not obstruct emergency access or visibility for residents and other road users.
- Do not park in a way that prevents residents from accessing their homes.
- Follow all local parking restrictions, road markings and signage.
- Keep noise to a minimum.
- Be considerate when walking through residential areas and respect local residents.
- If campus parking is full, use the alternative parking options identified for your campus.
- Allow additional time for your journey if you need to park away from campus.

Our campuses are part of the communities in which they are located. Please only park in the free alternative off campus parking facilities provided by your campus and not in residential areas. By doing this, you will help us maintain a positive relationship with our neighbours.

8.1 Athlone Campus Free Alternative Car Parks:

1 - Car Park 17 – Garrycastle GAA Club

- Approximately 20-minute walk to campus.
- Available Monday–Friday, 7:00am–6:00pm.
- No parking permit required.

2 - Car Park 18 – Willow Park Soccer Club

- Approximately 6-minute walk to campus.
- Available Monday–Friday, 7:00am–6:00pm.
- No parking permit required.

8.2 Moylish Campus Free Alternative Car Parks:

1 - TUS Gaelic Grounds

- Access via Corrib Drive – Gates 5 and 6. Eircode: V94 CF77
- Located beside Chill The Beans coffee shop.
- Free secured parking available. Open from 8.30am to 6.30pm

2 - Limerick Baptist Church

- Eircode: V94 A564
- Free parking available.

3 - TUS Coonagh Campus

- Free parking available **–** Eircode: V94 TW71
- A free TUS shuttle bus operates between Coonagh Campus and Moylish Campus.

  TUS Shuttle Bus - Moylish Campus, Coonagh Campus, Na Piarsaigh GAA - TUS

10 Parking Rules and Regulations

All students are required to follow the campus parking rules and regulations. These rules are in place to ensure that available parking spaces are used effectively and to maintain a safe environment for pedestrians, cyclists, drivers and emergency services.

Students should always follow the parking signs and road markings displayed throughout the campus.

General Parking Rules

Students must:

- Park only in officially marked parking spaces.

- Park completely within the marked parking bay.
- Park only in a parking area appropriate to their permit type.
- Follow all parking signs, road markings and campus traffic regulations.
- Keep access routes, entrances and emergency access areas clear.
- Drive with caution and give consideration to pedestrians and cyclists.
- Ensure their vehicle does not obstruct other vehicles or prevent the efficient use of parking spaces.
- Use alternative parking facilities if no suitable space is available on campus.

If there is no clearly marked parking space, parking is not permitted in that area.

Parking Within Marked Spaces

Vehicles must be parked fully within the lines of the designated parking bay.

Vehicles that are parked across multiple spaces or positioned in a way that prevents other vehicles from using adjacent spaces may be subject to parking enforcement.

If your vehicle is too large to fit safely within a marked parking space, you should use an alternative parking facility rather than obstructing neighbouring spaces.

Restricted Areas

Students must not park in areas that are not designated as parking spaces, including:

- Footpaths
- Grass or landscaped areas
- Emergency access routes
- Fire access areas
- Entrances or exits
- Areas that obstruct pedestrian or vehicle access
- Reserved spaces without the appropriate authorisation
- Accessible parking spaces without the appropriate entitlement
- Any other area where parking is prohibited by signage or road markings

Infringements, Penalties and Appeals

Vehicles that do not comply with the parking regulations may be subject to parking enforcement measures, including clamping where applicable.
