

International Student Guide

TUS
Technological University
of the Shannon

Why Ireland?

English speaking country world recognised for excellence in education.

Ireland is a member of the European Union and home to many of the world's most successful globally-traded companies. It offers excellent graduate employment and longer-term career opportunities.

Among the top-10 safest countries on earth.

Minimum 12-month post-study work permit for International graduates with an Irish Honours Degree qualification, 24-month for Masters graduates.

Students can work part-time (20 hours per week) during term time and full-time (40 hours) during breaks. Irish minimum wage is €10.50 per hour.

Recent studies show that Ireland offers the best international student experience and quality of life.

About Athlone

Athlone is located in the midlands of Ireland and is often referred to as the "Heart of Ireland". Situated on the River Shannon, Athlone is a busy and prosperous town with an abundance of interesting tourist attractions and excellent sporting and leisure facilities. It has a population of 30,000 people and is just over one hour's drive from the capital city of Dublin.

About Limerick

On the banks of the River Shannon and sitting at the edge of the Wild Atlantic Way, Limerick is Ireland's third largest city, and the third largest English-speaking city in the EU. Limerick is a historic city with a rich medieval past and steeped in culture. Located 15 minutes from Shannon International Airport, Limerick is within Europe's Top-10 cities in attracting investment, growth and opportunity.

Multinational employers in Ireland

Large employers in Ireland include Alkermes Plc, Ericsson, Covidien, Utah Medical, M&C Specialties, IO Systems, One Direct, Teleflex and KCI Medical, Johnson & Johnson, Uber, PWC, Dell, Northern Trust, Cook Medical, Stryker, Analog Devices, Ernest & Young, etc.

Master of Arts in Leadership in Workplace Health & Wellbeing	Limerick Campus
Master of Business	Athlone Campus
Master of Business Administration**	Athlone Campus
Master of Business in Strategic Management & Marketing	Limerick Campus
Master of Science in Digital Marketing	Athlone & Limerick Campus
Master of Science in Business Analytics*	Athlone & Limerick Campus
Master Science in Data Analytics*	Athlone & Limerick Campus

Pre-Masters

Higher Diploma in Arts Accounting	Limerick Campus
Higher Diploma in Business Management	Limerick Campus
Higher Diploma in Digital Marketing	Limerick Campus
Higher Diploma in International Business	Limerick Campus

INFORMATION TECHNOLOGY

Masters

Master of Science in Software Design with Artificial Intelligence	Athlone Campus
Master of Science in Software Design with Cloud Native Computing	Athlone Campus
Master of Science in Software Design with Cybersecurity	Athlone Campus
Master of Science in Software Engineering	Athlone Campus

Pre-Masters

Higher Diploma in Science in Software Development	Limerick Campus
Higher Diploma in Science Agile Software Design	Athlone Campus

ENGINEERING

Masters

Master of Science in Quantity Surveying*	Athlone & Limerick Campus
Master of Engineering in Engineering Management	Athlone Campus
Masters of Engineering Energy Infrastructure	Athlone & Limerick Campus
Masters of Engineering in Packaging, Innovation and Product Design	Athlone Campus
Masters of Science in Quality Management and Validation	Athlone Campus
Master of Science in Product Design Control	Limerick Campus
Masters of Science Process Validation and Regulatory Affairs	Limerick Campus

SCIENCE

Masters

Master of Science Environmental, Health and Safety Management	Athlone Campus
Master of Science in Biopharmaceutical Technology*	Athlone Campus
Master of Science in Nursing in Leadership & Quality Healthcare	Athlone Campus

ART & DESIGN

Masters

Master of Arts in Interdisciplinary Design Practice	Limerick Campus
Master of Arts in Fine Art	Limerick Campus

Undergraduate Courses

Programme	Location
BUSINESS & ANALYTICS	
Bachelors	
Bachelor of Arts (Hons) in Accounting	Athlone Campus

Master's programmes with*	€16,500
Master's programmes with**	€18,500

Scholarships of up to €3,000 available

Industry Engagement At TUS

TUS programmes are designed in collaboration with industry consortia to ensure that graduates have the skills that industry needs. Almost all of our programmes include a relevant industry placement as a compulsory, graded element of the programme. We are home to industry-led research projects and small businesses that have spun-out from learning, research and innovation at TUS.
