

Hi All,

Thank you for choosing TUS to further your education. My name is Dr. Janice O'Connell and I am the Head of the Department of IT. This is just a quick email to brief you on a few important aspects of college life here at TUS. We are looking forward to welcoming you on campus and meeting you for the first time.

Timetables & Start Date

- Online Induction for all year 1 students in the Department of IT will be held on **September 14th** (link: <https://lit.ie/connect-and-engagewhere>)
- The college start date for all year 1 students is the week commencing **September 18th**
- All timetables are available on the college website (select Department of IT, and your course) – please ensure you attend the first class of the week where you will be met by a Department lecturer
