

How do I apply to repeat a failed module?

Students who have not successfully completed any modules in Semester 1 or 2 must apply to repeat. This includes all types of modules i.e. final exam, practical's, continuous assessments, projects, work experience. The module will be assessed during Semester 3 / August Repeats.

If your repeat module is not a final exam, please contact your lecturer on the format and deadlines on submitting your work for assessment in Semester3.

After the release of your Semester 2 results, a link will become available on the **Results page** of your Banner9 Student account.

The link will become available the day after the release of Semester 2 results.

A fee of €150 will be applied to your account (regardless of the number of modules to be assessed) and this must be paid before you attempt your module.

If you have been granted a "Deferral" (noted as "I" beside your module), you will be automatically entered to attempt that module in August. There is no fee to attempt a deferred module in August.

Please continue to check your student email throughout the summer for communication from the exam's office.
