
What do I do if I have not successfully passed a module?

Every Journey starts with a single step....

What do I do if I am not successful in a module?

If you are unsuccessful in any module (final exam, continuous assessment, placement, project or practical element) in Semester 1 or 2 you can repeat in the August Repeat Exam Session / Semester 3.

Q: How much does it cost to repeat?

A: The fee is €150* regardless of how many modules you repeat.

*(Fees are correct at time of publication and are subject to change)

Q: How do I register to repeat?

A: You must register to repeat using the "reapply" link on your Banner 9 Student Account **after Semester 2 results have been released**, please see the Exams Webpage using the QR code below for more information on how to do this.

Please register before 17th July 2026

Q: I have not successfully passed a module/s in the Semester 3 (August Repeats) what are my options now?

A: If you have not successfully completed all of your modules by the end of your Academic Year, there are several options available to you:

1. Repeat & Attend
2. Sit exams as an external candidate (Re-sit)
3. Progress & Carry

Note: One of the prerequisites to be considered to Progress & Carry into the next Academic Year is that you **MUST** attempt your exam/s in the both Exam Sessions (Semester 1 or 2 AND August Repeat session).

For more information on each of these options, please see the exams Webpage.
