

Student Grant Applications (SUSI)

The student grant scheme is the main financial support scheme for students studying in Ireland and abroad. It is known as SUSI grant as the Student Universal Support Ireland (SUSI) is the awarding authority. This is an online application process, see www.susi.ie. You may be eligible to have your student contribution fee covered as well as a monthly grant payment paid to you by SUSI to assist with the cost of college living.

It is important to make your application for a grant as early as possible and do not need to know the exact course you will be attending in order to make an application.
