

Your Induction Guide for 2023

@TUSMIDLANDSSRC

Scan to hear from your Student Leaders and ask any questions...

CONGRATULATIONS on your offer of a place in TUS Midlands Midwest. We are delighted you have chosen to study with us! This is the start of the next stage of what we hope will be an enriching, fun and exciting time of your life and we are very happy to share that with you and support you along the way. This booklet is part of your essential toolkit for coming to the TUS Midlands campus so please keep it handy and study your Induction timetable to make sure you don't miss out. Electronic copies will be emailed to your CAO email address and are also available

on the Registration section of the website. Before you arrive for your ONSITE Induction day, please make sure to look at the videos that will be emailed to you. We have developed a curated line up of activities to help ensure you get off to a flying start so read on for a flavour of what is in store...

See you soon.

Sarah La Cumbre
TUS Midlands Student Resource
Centre Manager

GET READY COMPLETE ON-LINE REGISTRATION:

You have received an email from our Admissions Office with instructions for registering online. Follow the link in this email.

First Year Student Induction:

Your first year student induction activities take place in a fun, 1 day long, ONSITE experience which is supplemented by ONLINE videos. These videos will be sent in the Registration email to your CAO email address and will also be available to access through TUS website.

This combination of onsite activities and videos are all designed to help get you and your fellow classmates off to a flying start at TUS, so it is essential you engage with these activities before classes commence.

GET SET REVIEW YOUR INDUCTION TIMETABLE

This brochure contains your Induction Timetable, and this is also available on the website. Make sure to read this brochure - don't leave it until the last minute!

To find your induction timetable; simply look for your CAO code and course name and you will see your onsite Induction timetable directly under your course name.

Don't forget! It is essential you follow the links provided and WATCH your online Induction videos prior to attending for onsite induction activities.

SOCIAL MEDIA

Check out the TUS Student Resource Centre on Instagram to hear about what is happening throughout the college year. Follow the Instagram (QR code on front cover) which is run by Student Leaders. These Student Leaders are happy to answer any questions, big or small, and will be posting helpful stories to help you settle in and find your way around.

STUDENT LEADERS

Your Student Leaders will be based out of the **Connect and Engage** kiosk in the main building for your first 7 weeks of term. They will be there to help you find your way to classes or answer any questions, and you will also see them on Instagram, on TikTok, and at activities and events throughout the Connect and Engage programme.

GYM TUS Athlone Campus – STUDENT GYM AND FITNESS CLASSES Come and visit the multi-award-winning facility in the TUS Athlone Arena and claim your FREE ONE GYM VISIT OR FITNESS CLASS TRIAL, to be used before Sunday 1st October 2023! Download our App (AIT Sport) to find out more about our fantastic facilities and sign-up online.

We have GREAT VALUE TUS Student membership OFFERS available from only €89 for 1 Semester and €139 for 2 Semesters. Your TUS Student Membership includes FREE fitness classes, FREE Fitness Assessment, Bespoke Fitness Program and occasional usage of our Outdoor Athletics Track.

GO

ONLINE Videos – watch these before your ONSITE day!

In addition to hearing from TUS President Prof. Vincent Cunnane and VP Academic Education & Student Experience (VP AESE) Frances O'Connell, you will also receive links via email and through the website to the following:

Tech Talk

The tech talk video is one of the important video elements of Induction. This video will show you how to use the TUS Midlands technical resources, including Moodle – your remote virtual learning environment.

TUS Connect

We will show you around the Student Resource Centre corridor and you will hear from the team in this online video, all before you meet us in person for your onsite induction activities.

TOP TIP: This is a great video to share with parents/guardians/partners who are bound to be happy to hear about the great supports available to you in TUS.

Onsite Activities

Who do you think you are?

With Host Stephen

This is a question we are asked by others all the time, but maybe one which you should be asking yourselves as you begin your university life in TUS. In this high energy session, Steve Naughton will take a light-hearted view of the question and challenge everyone to explore their own thoughts on the subject. This is an opportunity to meet your fellow students in a way you have never done before. Come along and find out who you really are!

Meet the SU

In this on-campus session you will meet representatives from the Students' Union and hear about all the supports and services on offer plus all the events the Student's Union run throughout the year. Rumour has it that the SU might also treat you to free pizza and prizes so be sure not to miss this one.....!

Welcome Talk

At your Welcome Talk, you will meet the President and/or VP AESE, your Dean of Faculty and your Head of Department. At the end of this session, you will join smaller groups for your Orientation and Guided Tour.

Campus Tour

You will be assigned to groups with your classmates ONSITE and a designated Lecturer will bring you around the campus and share essential course information and timetables. This is a great chance to get to know your way around, meet new people and learn about supports available to you.

Library

A library visit is part of the ONSITE activities, where you will learn about valuable library resources. Watch out for library competitions and promotions.

Student Resource Centre Welcome

During your ONSITE Induction, you will meet the staff of the Student Resource Centre who will be helping you throughout your time in TUS Midlands.

Active Consent

After you meet SRC staff, you will also attend an Active Consent talk which is being delivered by the Student Resource Centre and your Students' Union. This initiative is part of a sector wide programme in support of ending sexual violence and harassment in 3rd Level.

Science Group A

Faculty of Science & Health (GROUP A)

- US662** - Higher Certificate in Science in Applied Science
- US731** - Bachelor of Science in Biotechnology
