

# Disability Support Needs App

**Step 1:** Go to the TUS Student hub and click into the 'My Apps Page'.

**Step 2:** Scroll down and click into the 'Disability Support Needs App'.

**Step 3:** Once you have opened the app, if asked, enter your A00 student email details and click **Submit**.

If we have already agreed on any support arrangements with you, they will be displayed.

If nothing appears, it may mean you have not completed your needs assessment yet. Please contact us at [disability.midlands@tus.ie](mailto:disability.midlands@tus.ie).

The support requirements shown in the app are also visible to your lecturers through their staff login.

This system is linked to your current module codes, so **only the lecturers for the modules you are registered on** can view your support requirements.

Your support information will remain available to you on the app **for as long as you are a registered student at TUS Athlone.**
