

Global Student Guide 2026

Technological University of the Shannon (TUS)

Ireland's Leading Technological University for Global Careers

Why Choose Ireland

Opportunity: Member of the EU, Ireland hosts leading global companies and offers strong graduate employment.

Graduate Visa: Graduates of a Level 8 Bachelor's degree or Higher Diploma are eligible for a 1-year post-study work permit, while those who complete a Level 9 Master's degree or Postgraduate Diploma may qualify for a 2-year post-study work permit.

World-Class Education: Ireland is the largest English-speaking country in the EU.

Safe & Welcoming: Ranked 2nd safest globally (Global Peace Index 2025); top-rated for student life.

Part-Time Work: 20 hours/week during term, 40 hours/week during holidays; minimum wage: €13.50/hour.

Discover Our Campuses

Athlone Campus

Only 1 hour 30 minutes from Dublin and located in the heart of Ireland, Athlone offers a vibrant student experience with state-of-the-art facilities.

Tipperary Campuses

Clonmel: Clonmel is a thriving industrial hub and home to several leading multinational pharmaceutical companies.

Thurles: This campus offers student-centred programmes in science, business, social care, and games programming, with excellent sports facilities.

Clare Campus

Ennis: This campus is based in a vibrant university town and offers Social Care Work degrees at Level 7 and Level 8.

Limerick Campuses

Limerick is 2 hours 30 minutes from Dublin, Ireland's third-largest city blends history and innovation.

Moylish: Home to 7,000+ students.

Clare Street: Hosts the prestigious Limerick School of Art and Design (LSAD), ranked among the global top 50 for Fashion.

Coonagh: Coonagh Campus is TUS's newest state-of-the-art facility in Limerick. It specialises in engineering, automation, and precision manufacturing programmes.
