Entry Requirements

Vary by programme. Full details at: www.tus.ie/global/international-admissions/entry-requirements/

English: IELTS 6.5 (No band below 6.0) or equivalent English language exams.

2-Year Post-Study Work Visa

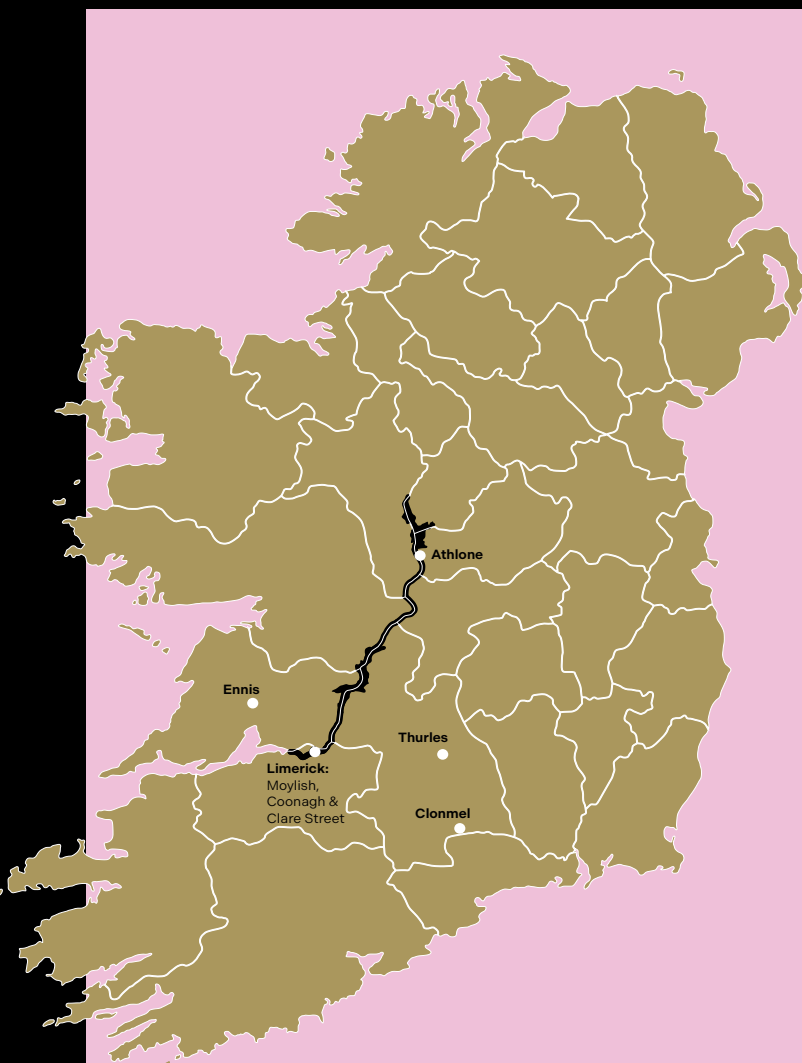

Master's graduates qualify for up to a 2-year post-study work permit.

Why Study in Ireland?

- **Ireland Is Home to:** The **top 5** global software companies, the **top 10** pharma companies, 14 of the **top 15** medtech companies, 8 of the **top 10** financial services companies.
- **Silicon Valley Of Europe:** Ireland hosts European HQs for Google, Meta, Apple, Microsoft, Pfizer, Stryker, Intel, and more.
- **Work Permit:** Bachelor's graduates: 1 year | Master's graduates: 2 years.
- **EU Member State:** Gateway to Europe. Ireland is the largest English-speaking country in the EU.
- **Safe & Welcoming:** Ranked 2nd safest country in the world (Global Peace Index 2025).
- **Part-Time Work:** 20 hrs/week during term, 40 hrs/week during holidays. Minimum wage €14.15 per hour.
- **Quality Education:** Youngest population in Europe, with one of the best education systems in the world.

Why Choose TUS?

- **#1 Graduate Employment:** 86.9% employed within 9 months (HEA survey, 3 years running).
- **Multi-Campus University:** Study in the Midlands and Midwest, with campuses across Athlone, Limerick, Coonagh, Clare Street, Thurles, Clonmel and Ennis.
- **QS 5 Stars Rated:** Top global rating for teaching, employability, inclusiveness & facilities.
- **Small Class Sizes:** An active approach to learning - at TUS, we don't just learn, we do.
- **Over 15,000 Students:** From 100+ nationalities.
- **Affordable:** Tuition fees and cost of living compared to other Irish cities.
- **Industry Engagement:** A core ethos, with work placement opportunities across the majority of our programmes.

It starts with TUS, It starts with US.

Study in the heart of Ireland's Midlands & Midwest - well connected, safe, and close to Dublin.

Choose a campus experience that keeps you close to industry, student communities and major Irish cities.

Student Voice

"TUS exposes you, gives you visibility and the opportunity to maximise your potential. By embracing the opportunities available, I developed my ideas into award-winning projects, built the confidence to aim higher, and opened doors that continue even after graduation."

Adetunji Joseph Ayoade, MSc in Software Design with Artificial Intelligence, 2025 Graduate
