

How to get into your Office 365 Account if you have forgotten your password (Account Recovery)

What is Account Recovery?

A facility to allow staff and students to change their AIT computer password from any Internet connection, even if they have forgotten it.

How does it verify who I am?

It uses the Authenticator app that is registered with your account.

How to use Account Recovery:

- 1. Open a browser and browse to https://office.com/apps
- 2. Enter your email address (either your AIT or LIT email address)
- 3. Click "Forgotten my password" (see below)

4. The screen below appears.

Get back into your account		
Who are you?		
To recover your account, begin by entering your email address or username and the characters in the picture or audio below.		
Email or Username: *		
joan.bloggs@lit.ie		
Example: user@contoso.onmicrosoft.com or user@contoso.com		
SV *		
Enter the characters in the picture or the words in the audio. *		
Next Cancel		

- 5. Enter your account name (same as your full AIT or LIT email address) and the CAPTCHA characters.
- 6. Select "Enter a code from my authenticator app".

Microsoft			
Get back into your account verification step 1 > choose a new password			
Please choose the contact method we should use for verification:			
O Send a text to my mobile phone number	Enter the code displayed in your authenticator app.		
O Call my mobile phone number	Enter your verification code		
• Enter a code from my authenticator app	Next		
Cancel			

- 7. Enter the verification code on your Authenticator app.
- 8. At this stage, you may now proceed to enter and confirm your new password:

Passwords will have to conform to these complexity requirements:

- 1. At least 12 characters long
- 2. The password must include at least one character from 3 of these 4 character sets:
- digits (i.e. 1 2 3 4 ...)
- Upper case letters (i.e. a capital letter e.g. B)
- Lower case letters (e.g. b)
- Special characters (e.g. ! " £ \$ % ^ & *)
