

NAME OF PROJECT

AgriNext - Agricultural and rural excellence Incubator and Platform for the Exchange of Competencies

Project Logo

Project Reference Number: 101056023

Duration June 2022 - May 2026

TUS Project Budget € 421,778.40

Total Project Budget € €2,553,260.00

Brief Overview/Project Summary

The main aim of the project is to create a learning environment that responds to the skill demand in the field of Multifunctional Agriculture (Farm diversification). The project will develop training for Vocational (Further) Education and Training (VET) sector within the European Qualification Framework (EQF) levels 3-6 or National (Ireland) Framework Qualification (NFQ) levels 4-7.

Project Aim(s) & Objective(s)

- Development of a guidance service model (GSM) that continuously responds to the rapidly changing needs on the job market.
- Integration of systematic changes on national levels for flexibilisation and responsiveness of the school system.
- Empowerment of teachers for a fast response to the job market demand.
- Establishment of a collaboration system for continuous exchange between employers, teachers, trainers (skills ecosystem).
- Creating a physical and virtual environment for interaction, demonstration, development, and individualisation.
- Promoting rural development and vitality, presenting opportunities of multifunctional agriculture.
- Increasing digital competences amongst students and teachers.

Project Outputs

- Online training for guidance service providers for the use of new guidance service model
- Online training for VET teachers for flexible learning processes

- Proposals of flexibilisation of VET
- Green job = dream job video trailers
- Established Incubators (business – education partnership)
- AgriNext IT Platform for Rural Excellence
