

Research Funding Pathway

1 DISCUSS IDEA

Engage with Research Institute Directors and the Research Support Office to discuss the viability of your research proposal.

1

2

2 SEEK FUNDING

Once the proposal has been identified, defined and approved by research leads. Seek suitable funding, visit resources such as:

TUS Research Supports

Crowdhelix

Research Professional

If submitting an EU funding proposal consider applying for additional Enterprise Ireland financial supports

3

3 COMPLETE TUS RESEARCH PROPOSAL SUBMISSION FORM

Allow sufficient lead time. Timelines range from 4 - 12 weeks depending on the level of support required.

4 ENGAGE THE GRANT WRITING TEAM

Approach the grant writing team for advice, support and feedback on your funding application.

4

5

5 LIAISE WITH THE RESEARCH OFFICE TEAM

To ensure alignment within the call criteria and funding eligibility, provide details of your letters of support and endorsements to the Research Office Team. Record your application once submitted.
