Accommodation

TUS Students' Union coordinate the accommodation service and are committed to providing students with as much information and support as possible in securing accommodation. Most student accommodation is located within walking distance of our campus, of which there are multiple types, including shared housing, shared apartments, and 'digs' where a student boards with a family. Our Students Union will be on hand to answer any questions you may have about accommodation. If you would like to find out more about accommodation in Athlone, check out our Accommodation webinar by scanning the QR code.

Admissions

Our admissions team will be available to talk you through everything from entry requirements, your CAO application, accepting your offer and any other questions you may have on the application process.

Sport, Scholarships and Societies

Clubs and societies are at the heart of TUS life and we would encourage all prospective students to get involved in extra-curricular activities. Joining a club or society is a fantastic way to make new friends and meet people with similar interests.

Our sports scholarships are not just designed for those participating at the highest level in their chosen sport, but also for those involved in other aspects of sport. There will be members of our Sports Department at our Open Day to talk you through the application process.

Student Supports

We know that college life can be challenging for some, and to support our students we have we provide a comprehensive range of student support services. At TUS you will have access to our friendly and helpful team who can assist you in areas such as; Student Counselling Services, Higher Education Access Route (HEAR), Disability Access Route to Education (DARE) and Learning Supports. There will be members of staff present at our Open Day from each area to put you at ease with any thoughts and questions you may have.

Not fond of crowds?

Don't worry, we've got a dedicated quiet place where you can speak one-to-one with a member of our student resource centre, and get the answers to all the questions you may have. The location is pod 6 in the reception of the main building.

Discover why students love Athlone!

#YourUniversityTown

Welcome to Athlone – Whether you're exploring ancient castles, adventuring in the great outdoors, or enjoying the nightlife, this town has everything you need for an unforgettable university experience.

History and Culture – Get Your Culture Fix!

Athlone has a fascinating history that's just waiting for you to dive in to. Learn about early settlements and warring chieftains, foreign invaders and local heroes!

Top 3 things to do:

Take a guided tour of Athlone Castle that's been around for almost a thousand years, hop on a Viking boat for a history lesson that's actually fun and stop by Luan Gallery, a cultural gem featuring amazing art from both local and international artists.

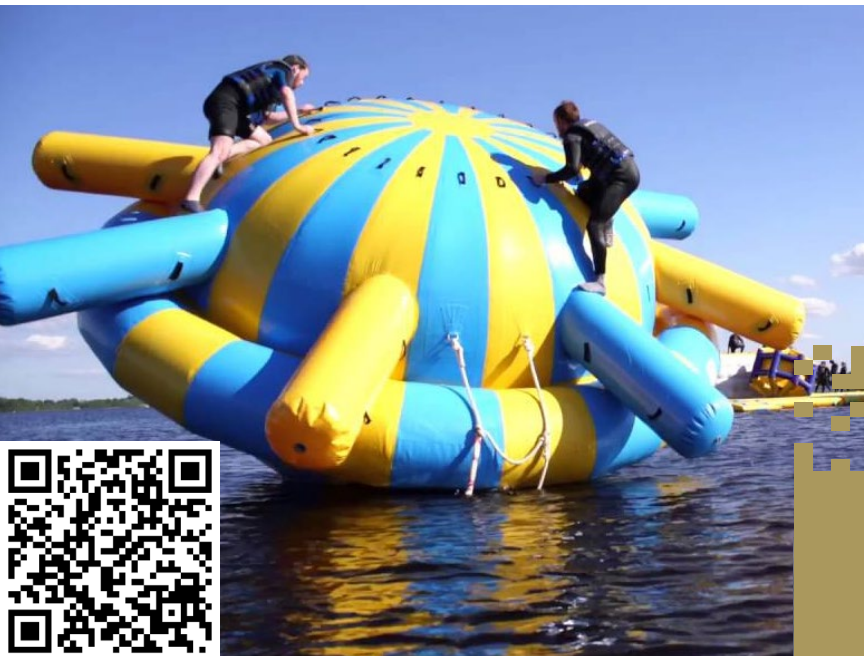

Get Outdoors – This is Your Playground!

Athlone isn't just about the history – it's got loads of outdoor spots for those of you who love nature. Whether you're into hiking, biking, or just chilling by the water, you'll find your perfect escape.

Top 3 things to do:

For casual hikes or bike rides, it's got to be Lough Boora Discovery Park or a leisurely walk along the banks of the Shannon, check out the The Golden Mile. If you love horses (or just want to try something new), head to the Athlone Equestrian Centre. You can book a relaxing forest trek or take lessons if you're a total beginner.

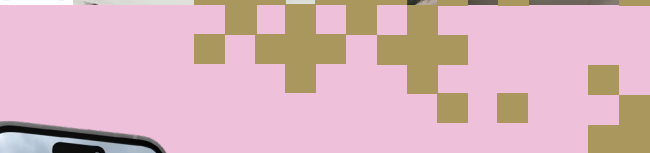

Water Sports for the Adventure Seekers!

If you're more of a water person, Athlone is full of lakes and rivers that make it perfect for water activities.

Top 3 Outdoor Activities:

Looking for something fun and adventurous? Baysports is the place for water activities. Think kayaking, paddle-boarding, and even giant inflatable water slides! Swimming at Coosan Point is a favourite student hangout spot and go exploring with your Sup boards.

Time to Unwind!

Top 5 Student Friendly Activities:

Nightlife

When the sun goes down, Athlone comes alive! From traditional pubs to modern cocktail bars, you'll never be short of options for a great night out. Try Peddler Macs for pizza and pints or Maisies for top notch cocktails.

Elevate Activity Centre for adrenaline-packed go-karting.

Cinema Nights – 6 screen cinema complex offers a great way to unwind after a long day of classes.

Comedy Gigs at The Dean Crowe Theatre -

The line-up of comedians always brings the laughs, making it a fun and laid-back way to spend your night.

Shopping – Athlone has two shopping centres with all your favourite brands like Zara, Penneys, H&M, Sports Direct, River Island and many more as well as an array of second hand shops and markets for those who like thrifting.

Cafés & Eats – Fuel Your Study Sessions

Need to recharge after classes or find a cozy place to study? Athlone's café scene is on point. Whether you're after a strong coffee or budget-friendly bites, these spots have you covered.

Top 3 Cafes:

The Good Café, Magico Bakery and Poppy Fields Café are close to college, serve the best coffee and student friendly lunch.

Open Day Campus Tours

Times:

10.30am, 11.15am, 11.45am and 12.15pm

Campus Tours will depart from the arena at the above times and will last approximately 45 minutes. Our tours are hosted by our student ambassadors and they will take you around to all areas of the campus and show you everything you need to see!

CAO Campus Tour

We are offering campus tours from now until the 1st February CAO deadline. Book your campus tour by scanning the QR Code...

Live demos and more...

There will also be a range of demos running on the day across the campus. These demos include culinary demos, basic life support, demo of a high tech manikin in our nursing suite, practical displays in our dental lab and robotic demos to name a few.

Don't miss your chance to experience firsthand the exciting and practical learning opportunities available at TUS Athlone!
