### Practical Learning

Practical, hands-on learning is central to our courses, making for an enjoyable learning experience. Through a mix of lectures, workshops, group work and projects, along with work placement and study abroad opportunities, studying at TUS will equip you with the relevant knowledge and skills you need to launch a rewarding career.

### Small Class Sizes

Our small class sizes mean you're more than just a number at TUS. You will know all your classmates and your lecturers will know you too, meaning you feel part of a friendly university community. This commitment to small class sizes and our open, supportive and friendly environment ensures that as a student in TUS, you won't get lost in the crowd here.

### Supportive Environment

College life is exciting; however it is not without challenges. Supporting you is at the heart of everything we do, and we want you to get the most out of your studies. Our support services are dedicated to supporting you in reaching your potential, both academically and personally and provide a valuable support network for students.

### Our Campuses

TUS is made up of over 15,000 students across our seven campuses in the Midwest and Midlands regions. Our unique community links a network of towns and urban centres, spanning four counties and three provinces! Each campus differs in size, and all have their own unique atmosphere, but whichever TUS campus you choose, you can be sure of an enjoyable student experience.

# We are TUS

**Our vibrant, supportive and welcoming campuses in Athlone, Limerick City, Clonmel, Ennis and Thurles offer an exceptional educational experience, with inclusivity and innovation at the heart of everything we do. So whichever TUS campus or course you choose, you will thrive in a student-centred environment, dedicated to providing you with the best possible college experience, with globally recognised and respected qualifications that will carry you into an exciting future.**

TUS has seven campuses:

- Athlone Campus, Co. Westmeath
- Moylish, LSAD Clare Street, and Coonagh Campuses, Limerick City
- Clonmel Digital Campus, Co. Tipperary
- Thurles Campus, Co. Tipperary
- Ennis Campus, Co. Clare

## Athlone Campus

Located just a stone's throw outside the town, our Athlone campus is home to 6,000 students and is renowned for its warm, friendly and inclusive campus culture, which supports students in reaching their full potential. The campus offers 200+ industry-focused courses on a full, part-time, blended, and online basis, ranging from higher certificate right through to PhD and beyond. Students can expect to find exciting courses in areas like virtual reality and gaming, cybersecurity, veterinary nursing, robotics, digital marketing, and pharmaceutical science, to name but a few. Athlone campus houses our state-of-the-art International Arena and contains the country's first international-standard indoor athletics track. It is also home to the Athlone International Grand Prix, Ireland's premier athletics meet. Students at the Athlone campus can avail of all of the latest technologies and equipment, including Alter G AntiGravity treadmills (designed by NASA) and cryotherapy pods.

## Limerick City Campuses – Moylish, LSAD Clare Street, Coonagh

### Moylish Campus

Our Moylish Campus is located on the outskirts of Limerick city and is our principal Midwest campus. Located in the shadow of the world-renowned Thomond Park, home to Munster Rugby, and a short walk from the TUS Gaelic Grounds, more than 7,000 students are based at Moylish. Students benefit from access to modern lecture theatres, science labs and computer suites, as well as our state-of-the-art Millennium Theatre, used during the day for practical classes and in the evenings and weekends as one of Limerick's leading live entertainment venues. Our Students' Union building has its own games room, relaxation lounge and radio station - Wired FM. A well-equipped gym facility and several pitches used for both recreational and competitive fixtures are also located at Moylish campus.

### Limerick School of Art & Design (LSAD) - Clare Street & George's Quay Campuses

The Clare Street campus is home to our internationally renowned Limerick School of Art & Design (LSAD), one of the longest-established centres of art and design education in Ireland. It is a vibrant living 'canvas' for the creation, display and celebration of the artistic talents of our students. With an award-winning reputation and cutting-edge creative technologies for student learning, LSAD is one of the most significant providers of art and design education in Ireland. Students learn from leading art and design practitioners; can access excellent workshop, studio and exhibition facilities and where their education is informed by the latest developments in the wider world of art and design.

### Coonagh Campus

Located near the TUS Moylish Campus on the outskirts of Limerick city, our new Coonagh Campus consists of a state-of-the-art 5,819 square metre engineering building. This modern facility will accommodate an additional 800 students, with an emphasis on increasing the number of apprentices at TUS. The Coonagh Campus will drive the expansion of engineering education and research and includes new workshops and laboratories that will deliver space for manufacturing engineering and other engineering activities, particularly in apprenticeship programmes.

### Thurles Campus

Our Thurles Campus caters for students studying for qualifications in Applied Sports Science, Agricultural Science, Business, Social Care Work, and Software Development with Games Programming/Cyber Security. It is a friendly and student-centred campus with excellent sports facilities. Alongside lecture theatres, science labs and specialist games development labs, is our superb SportsLab, a dedicated strength and conditioning facility, designed and developed to the highest global standards. The 2,000 square metre facility includes a 45 metre six lane sprint track, especially designed to improve speed, as well as a range of sport technology systems, including micro electromechanical systems and GPS systems. Planning permission has recently been granted for a major expansion to the facility to include tennis courts, GAA and all-weather playing facilities. Thurles town is an affordable study location for students and the town is well served by the Irish Rail network, Local Link services and other private bus operators.

### Clonmel Digital Campus

Our Clonmel Digital Campus is part of the renowned TUS Limerick School of Art & Design, and although a small campus, it is a vibrant and creative hub that provides a relaxed and friendly learning space for students. Our popular and innovative degrees in Game Art and Design, Digital Animation, and Visual Effects for Film, TV and Animation are based at the Clonmel campus. A fantastic new addition to the campus is the €5 million Clonmel Sports Hub located on the campus grounds and which includes a 400-metre IAAF standard athletics track, skatepark, walkways and cycleways. Clonmel town has a thriving arts scene, with lots for students living locally to get involved in, as well as being situated on the beautiful Suir Blueway.

### Student Sexual Health Service

Funded via the HSE, TUS Athlone offers a free nurse-led student sexual health, contraception & health promotion service on campus. For further information, email: [sexualhealth.midlands@tus.ie](mailto:sexualhealth.midlands@tus.ie)

## Access Service

TUS is committed to promoting equitable access to and successful participation in higher education for all members of society. Through the work of the TUS Access Service, targeted strategies and initiatives are delivered to facilitate entry to and successful participation in higher education for underrepresented students. The TUS Access Office supports students from groups within society who are underrepresented in third level education, such as students who experience socio-economic disadvantage, mature students, students with a disability/specific learning difficulty, Irish Travellers and grant-assisted students.

**TUS is a member of the Higher Education Access Route (HEAR).** This scheme offers reduced points places and extra college supports to school-leavers from socioeconomically disadvantaged backgrounds. Prospective students need to apply via the CAO, indicating that you wish to be considered for the HEAR scheme. Financial guidance and support is available through the Access Service and from the HEA on [www.studentfinance.ie](http://www.studentfinance.ie). For full information on all TUS Access services and supports, please contact:

## Disability Service

The Disability Support Office encourages students with educational support requirements to avail of the many services we offer our students. TUS is part of the **Disability Access Route to Education (DARE)** which is a national admissions scheme that allocates reduced points places to eligible school leavers under 23 years old with specific learning difficulties, health conditions and/or disabilities.

Students with educational support requirements are encouraged to contact the Disability Officer in advance of registration to agree the supports needed to help them access their learning. While there is no obligation to discuss your disability/support requirements, we recommend that you contact us as from experience, we have found that this positively supports your transition to and progression in third level. All Access and Disability services are confidential. For full information on all services and supports please contact:

## Careers and Employability

The Careers and Employability Service supports students as they transition to employment or further study. We provide a range of services and supports including work placement supports, CV reviews, employability workshops, mock interviews, employer events and careers fairs.

### **Garda Vetting**

Some placement opportunities require Garda Vetting. It is important that students know that previous convictions may limit their ability to obtain a placement in certain settings and might mean they are unable to reach required learning outcomes associated with certain courses. Students should research requirements thoroughly before embarking on a course of study which requires Garda Vetting.

## Students' Union

The Students' Union is the independent representative organisation for students and is the elected voice for students in TUS. It represents students in academic affairs, student wellbeing, advocating for student rights and organises social events for students. TUS Students' Union works in the best interests of its members - supporting students in becoming active and responsible citizens, having their voices heard and rights upheld and in enjoying the university experience. Learn more about TUS Students' Union at [www.tussu.ie](http://www.tussu.ie)

“When I began my studies in TUS, I was surprised to find how helpful all the lecturers were. They really go above and beyond for you and are there to help you with whatever you need.”

– Jack, Culinary Arts

# Accommodation

**Starting college brings new freedom and the independence to make your own choices and decisions. For many students, going to college also means moving away from home to a new city or town and trying to find accommodation for the first time and our campus locations in Athlone, Limerick city, Clonmel, Ennis and Thurles will give you an opportunity to make one of these locations your home for a few years.**

TUS Students' Union coordinate the accommodation service and are committed to providing students with as much information and support as possible in securing accommodation, however students themselves are responsible for securing their accommodation. The accommodation service operates on a referral basis, whereby all students organise their own accommodation and arrange by personal inspection. Students are encouraged to be proactive in organising and securing accommodation as places are in high demand year-round. Most student accommodation is located within easy walking distance of our campuses, of which there are multiple types, including shared housing, shared apartments and 'digs' where a student boards with a family. Accommodation is limited and in high demand and is offered on a 'first come, first served basis.'

Visit the TUS Students' Union website at [www.tussu.ie/accommodation](http://www.tussu.ie/accommodation) for more information or scan the QR code for accommodation information for all TUS campuses at Athlone, Limerick, Clonmel, Ennis and Thurles.

"TUS Athlone had the course that I wanted and is a career I always dreamed of pursuing, the facilities and staff made studying a course I loved so much more rewarding."

– Tika, Accounting with Finance

# Student Life

## Clubs and Societies

**Clubs and societies are at the heart of TUS life and all students on all campuses are encouraged to get involved in the varied extra-curricular activities available. Joining a club or society is a fantastic way to make new friends and meet people with similar interests. For first year students in particular, getting involved with a club or society helps in making the transition from school to college easier, and involvement in a club or society also helps you to develop other valuable skills alongside your academic skills, such as teamwork and leadership skills.**

## Sport

We boast a vibrant sports scene on all our TUS campuses, ensuring that many sporting interests are catered for. Our sports clubs cater for all levels of activity and you can get involved at your own pace, whether you are an elite athlete, a beginner or just looking to get fit and have some fun. We participate at a high level in the many intervarsity competitions and there are opportunities to represent TUS nationally, and in some instances, internationally too. However, you do not need to aspire to such lofty sporting ambitions; there are sports activities to suit all interests and abilities! Clubs include Hurling, Camogie, Men's and Ladies Gaelic Football, Men's and Ladies Rugby, Soccer, Boxing, Athletics, Weightlifting, Basketball, Aerobics and Circuit Training, to name but a few. See [www.tus.ie/sport](http://www.tus.ie/sport) for more information on Sport at TUS.

Scan the QR code to learn more about sport at TUS.

## Societies

In addition to sports clubs, there is a diverse range of societies to get involved with and societies are also a fantastic way to make friends, gain new skills and enjoy your time in college. Each society provides a range of activities for students during the year from volunteering opportunities to trips away and social nights out. Involvement in a society helps you to develop other valuable skills alongside your academic learning, such as leadership skills through committee involvement, experience in event management, and teamwork skills. TUS has a dedicated Societies Officer who works with societies across all our campuses. For more information, contact [socsofficer@tus.ie](mailto:socsofficer@tus.ie)

"I have learnt so many new skills that I will take onto the next chapter of my life."

– Abby, Bioveterinary Science

## Sports Scholarships

Our commitment to sport is underlined by our Sports Scholarship Scheme which allows students who are at the forefront of their chosen sport to apply for a range of supports. We are proud to invest in our students to support and encourage them in reaching their sporting potential and each year, we recognise the achievements and excellence of our students in their respective fields. Our sports scholarships are not just designed for those participating at the highest level in their chosen sport, but also for those involved in other aspects of sport.

## Sports Scholarships - Athlone Campus

### Academy and Gold Sports Scholarships

TUS Athlone campus operates a sports scholarship scheme for students who have reached, or have the potential to reach, a very high standard of performance in their chosen sport. The scholarship operates on two levels: A Gold Scholarship is worth up to the value of €4,000 in supports, which includes the use of our sports facilities, physical therapy, individual strength & conditioning coaching, functional screening assessments, cookery demonstrations, academic support, nutritional advice, performance lifestyle management, sports psychology support, skill acquisition support and athletic development funding; an Academy Scholarship includes many of the supports listed above for those aspiring to the Gold level and is worth up to the value of €2,500. More information can be found on the TUS website.

## Sports Scholarships – Limerick, Thurles, Clonmel and Ennis campuses

The TUS campuses in Limerick, Thurles, Clonmel and Ennis offer three different types of sports scholarships: Gold, Silver and Bronze.

### Gold Sports Scholarship

The Gold level scholarships are aimed at students that are competing at the highest level of their chosen sport, e.g., intercounty, interprovincial, international, FAI League of Ireland.

### Silver Sports Scholarship

The Silver level scholarships aim to give students the opportunity to develop and attain the highest level in their chosen sport while studying in TUS. Silver level scholarships are aimed at sub elite athletes / underage / junior athletes who are looking to progress to the next level. e.g., underage intercounty, underage League of Ireland, provincial academy, underage international, development squad, etc.

### Bronze Sports Scholarship

The Bronze Sports Scholarships are designed to support athletes who compete at club/non-elite level, and also contribute towards their respective sport(s) in other capacities e.g. administration, coaching, fundraising, promotion etc.

### Munster Council GAA Bursaries

The Munster Council GAA Bursaries is open to members of the association attending a full-time higher education course (except those who hold another GAA-related or college scholarship/bursary) and who are active participants in their college club. Candidates may be awarded bursaries in successive years (limit of two years only), subject to passing exams and satisfactory evidence of a significant contribution to the college club. Application forms are available from the Munster GAA website.

## Elite Sportsperson Entry Scheme

TUS has in place, for some undergraduate degree courses (Athlone only), an academic entrance scheme for elite sportspersons. A number of places will be reserved for outstanding candidates who have reached a very high standard of sporting achievement, through performance or coaching, and who are committed to further developing their sporting and academic careers. A 50 CAO points waiver may be awarded to prospective students (Athlone only).

## Sport Facilities

From our state-of-the-art Athlone International Arena to the impressive Sports Lab in Thurles, TUS has superb sports facilities for students, including gym facilities and sports pitches at Athlone and Moylish, and the sports hub on the grounds of the Clonmel campus. All facilities are available for our students to use.

Scan the QR code to learn more about sport facilities across our TUS Campuses.

### Sports Facilities - Athlone Campus

TUS International Arena boasts an array of options for health-conscious students, beginners and elite athletes alike. This facility includes a fully approved IAAF Indoor Athletics Stadium, student fitness gym, elite training gym, spinning studio, fitness studio, high performance testing room, two cryotherapy units and a movement mechanics sports science studio. Outdoor facilities provide for most sports including an eight-lane IAAF-approved outdoor athletics track which also features a full-size international dimension soccer pitch in the infield area (floodlit), a fully FIFA approved artificial soccer pitch, sand based multi-sport grass training field, full size GAA pitch and a 2km floodlit cross country trail. The TUS Athlone sports gym has a dedicated team of qualified instructors who will provide you with excellent guidance, advice and comprehensive fitness programmes to match your fitness level, from complete beginners to elite athletes. Students can avail of discounted membership rates or can use the facilities on a pay as you go basis. A wide array of fitness classes are available in our state-of-the-art studios.

### Sports Facilities – Limerick, Thurles and Clonmel campuses

Our Moylish campus in Limerick has an impressive range of sports facilities for students, including three full size pitches and an all-weather playing pitch, as well as a fully equipped gym and indoor sports hall, catering for basketball, soccer and fitness classes.

A new €5.5 million Clonmel Sports Hub has opened on the grounds of TUS Clonmel campus. Developed in partnership with Tipperary County Council and with support from local industry, the impressive multipurpose sports facility has been developed to international sporting standards and features a 400-metre IAAF-approved athletics track, a skatepark, walkways, cycleways, a playground and a cycle (pump) track. It is a fantastic addition to our Clonmel campus.

Our Thurles campus houses a state-of-the-art strength and conditioning building, the 'SportsLab'. Among the facilities available in the 2,000 sq. metre facility are a 45m, six lane sprint track specially designed to improve speed; a Paralympic area; cable machines; a range of sport technology systems, including micro electro mechanical systems and GPS systems; Olympic lifting platforms; five functional screening kits; weights and the full range of exercise machines. It is one of the finest facilities available in the country and is designed to support our Sports Science courses. Planning permission has recently been granted for the expansion of sports facilities at the Thurles campus with an extension to the SportsLab, alongside the development of tennis courts and GAA and astro pitches.

## Other Scholarships and Financial Supports

TUS offers a range of other scholarships, funding and supports that students can apply to. These include:

- 1916 Student Bursary
- Uiversity Scholarships
- Laptop on Loan scheme
- Student Assistance Fund
- Mature Student Book Lending Scheme
- KickStart Scholarship
- Leaders@TUS Scholarships
- Google Insight Scholarship

# International Opportunities and Study Abroad

**TUS offers a truly international education experience, welcoming students from over 100 countries to our seven campuses. Our diverse campus life enhances learning and community. Our multicultural campus community helps widen networks and fosters connections globally. Join our growing international community and experience a warm welcome with smaller class sizes and a friendly atmosphere.**

## International Office

The International Office at TUS provides comprehensive support for international students, including information, support, and orientation events. They offer continued support before, during and after a student's time at TUS, working in conjunction with the Students' Union, Student Services team, and other campus functions. The office also provides information and guidance on the Erasmus+ programme, as well as assistance to students with international ambitions, such as study abroad, exchange programmes and European placements.

## International Applicants

TUS welcomes applications from international students. Non-EU applicants must meet entry requirements and demonstrate English language competence. Certified transcripts and English language translations of qualifications not issued in English are required.

For international enquiries, contact: [international@tus.ie](mailto:international@tus.ie)

Non-EU students should apply directly online at <https://internationalapplication.tus.ie/> or scan the QR code.

## Erasmus+ and Study Abroad

TUS is an Erasmus+ Charter holder, offering Study Abroad and Work Placement opportunities supported by the Erasmus+ Mobility Programme. All students are encouraged to explore these opportunities, which include partnerships with over 480 universities and research institutions worldwide. By participating, students can gain language skills, broaden their perspectives, expand their network and enhance their employability.

For Erasmus Study Abroad enquiries, contact: [Erasmus@tus.ie](mailto:Erasmus@tus.ie)

## Regional University Network – European University (RUN EU)

TUS is a member of the Regional University Network – European University (RUN EU) along with eight other European Higher Education Institutes. Students are encouraged to take up funded study abroad opportunities in partner institutions based in Portugal, The Netherlands, Finland, Hungary, Austria, Spain and Belgium. At TUS, students thrive in an inclusive educational environment, benefit from global opportunities and gain valuable skills for success in a diverse and interconnected world.

“TUS has some incredible opportunities to study abroad. RUN-EU and Erasmus+ provide options to study abroad that range from a week to a full semester. During my time at TUS, I studied in Portugal, Netherlands, France and Belgium. These were fantastic experiences as I got to meet students from other universities, many of whom I stay in contact with today, as well as experience living in a foreign country. Studying abroad is always an excellent opportunity to experience different cultures, cultural events, food and see the world! And TUS can provide you with those opportunities!”

– James, Business Studies (Marketing & Management)

# Applying to TUS

**Choosing the right course is the first step towards your future career and at TUS, we have designed our courses in a flexible way that enable you to enter and exit courses at various levels, giving you multiple routes to achieving your goals.**

There are three entry levels at undergraduate level:

- Higher Certificate (Level 6)
- Bachelor Degree (Level 7)
- Honours Bachelor Degree (Level 8)

Students who enter TUS at any level, can either choose to graduate at that level or progress to the next level, assuming required grades are achieved and progression courses are available. Exit awards have been built into courses at various levels. A qualification from TUS will open many doors and our courses are developed in partnership with industry, professional bodies and the community to give you the best possible employment and academic outcomes. All courses fit within the National Framework of Qualifications (NFQ) – the official system of qualification recognition in Ireland.

## Central Applications Office (CAO)

Application for entry to first year of courses at TUS is through the CAO system. Applicants can apply online at [www.cao.ie](http://www.cao.ie)

### KEY CAO DATES TO REMEMBER

#### Entry dates for CAO applications for September 2025

Closing date: **1st February 2025**

Late closing date: **1st May 2025**

Change of Mind date: **1st July 2025**

Exceptional Late Applicants:

Closing date **22nd July 2025**

## Entry Requirements

### Leaving Certificate

For students with Leaving Certificate qualifications, the minimum entry requirements for entry to the first year of courses are as follows, however, applicants should also check for the specific requirements given on each course page in the TUS Prospectus or on the TUS website [www.tus.ie](http://www.tus.ie)

#### Higher Certificate (Level 6) courses

The minimum entry standard for applicants to Level 6 courses is minimum grade H7 (Higher Level) or O6 (Ordinary Level) in five subjects. Two of these subjects must include Mathematics\* and a Language (either English or Irish).

#### Bachelor Degree (Level 7) courses

The minimum entry standard for applicants to Level 7 courses is minimum grade H7 (Higher Level) or O6 (Ordinary Level) in five subjects. Two of these subjects must include Mathematics\* and a Language (either English or Irish).

#### Honours Bachelor Degree (Level 8) courses

The minimum entry standard for applicants to Level 8 courses is minimum grade H5 (Higher Level) in two subjects, plus four subjects at minimum H7 (Higher Level) or O6 (Ordinary Level). Two of these subjects must include Mathematics\* and a Language (either English or Irish).

*\*Foundation Level Mathematics will only be accepted, as meeting the Mathematics requirement for courses listed in section 'Foundation Level Mathematics'.*

*#Leaving Certificate Maths at Grade O4 is required for entry to Level 8 courses, and at Grade O5 for entry to Level 7 courses in the Department of Electrical & Electronic Engineering (Limerick only). See courses section for information.*

#### Bonus points for Honours Mathematics

25 bonus points will be awarded to any CAO applicant who has gained a grade H6 or higher in Leaving Certificate Honours Mathematics.

#### Foundation Level Mathematics\*

Foundation Level Mathematics at grade F2 or higher is acceptable as meeting the Mathematics requirement for certain courses at TUS. For a list of courses that accept Foundation Level Maths, visit [www.tus.ie](http://www.tus.ie)

#### Foundation Level Irish

Foundation Level Irish at Grade F2 will meet the minimum language requirement for all courses.

## Leaving Certificate Applied Programme (LCA)

The LCA subjects do not meet the minimum entry requirements for admission to academic courses at TUS and are not considered passing subjects. Holders of the Leaving Certificate Applied programme may wish to undertake a QQI FET course in order to gain eligibility for entry to third level courses at TUS.

## Leaving Certificate Vocational Programme (LCVP)

Students apply through the CAO in the normal way. The LCVP module will be considered as a passing module provided the applicant achieves at least a pass grade. This will apply for entry to Honours Degree (Level 8), Ordinary Degree (Level 7) and Higher Certificate (Level 6) courses. Points will be awarded for LCVP Link Modules as follows:

**Pass:** 28 points    **Merit:** 46 points    **Distinction:** 66 points

## Special Mathematics Entrance Exam

Mathematics is the keystone for STEM subjects (Science, Technology, Engineering and Mathematics), and many of the courses offered at TUS require students to have a core mathematical competency. A grade of O6 or higher in the Leaving Certificate examination may form part of basic entry requirements to many courses. Applicants who have achieved the general entry requirements but have not attained the required grade in Leaving Certificate Mathematics will have an opportunity to fulfil that requirement by sitting a Special Mathematics Entrance Exam set by TUS (for admission to courses at TUS Midwest campuses). The Faculty of Engineering at Athlone campus holds a special qualifying Mathematics Exam for students who achieve sufficient CAO points but do not meet the requisite grade of H4 in Mathematics for entry to course US887 Civil Engineering. The exams take place after the publication of the Leaving Certificate results. For more information, see [www.tus.ie/admissions](http://www.tus.ie/admissions)

## QQI-FET/FETAC

TUS accepts QQI-FET/FETAC awards for entry on all courses of study. The following minimum entry requirements will apply to graduates of QQI-FET/FETAC qualifications who are seeking admission to courses at TUS, however applicants should also check for the specific QQI requirements on each course page on the TUS website.

The minimum entry standard for applicants to level 6 and level 7 courses is a full QQI FET Level 5 award totalling 120 credits. The minimum entry standard for applicants to level 8 courses is a full QQI FET Level 5 award totalling 120 credits including a Distinction grade in at least 3 modules.

A full FETAC award normally contains 8 modules. A full award may be accumulated over more than one academic year. In such cases, it is the responsibility of the applicant to contact QQI FET/FETAC for a full award where programmes are taken over more than one year. A QQI FET/FETAC Level 5 or Level 6 Record of Achievement does not meet the minimum entry standards. The maximum possible total score will be multiplied by 13 and divided by 12, to give a maximum overall points score of 390 for applicants from further education and training. Applicants to Restricted Application courses or courses where a Portfolio is required will have their Portfolio score added to their QQI-FET/FETAC score.

## Mature Applications

All EU nationals aged 23 or over on 1st January in the year of application are classified as 'mature applicants'. The closing date for receipt of applications for consideration in this category is 1st February in the year of entry. Late applications will be considered for courses which do not require additional assessment. On an exceptional basis e.g. the quota remains unfilled, late applications may be considered for other courses.

“What I like about studying at TUS are the small class sizes, so it’s easier to interact with lecturers and fellow students.”

– Gabriel, Sports Development & Performance

## Disability Access Route to Education (DARE)

DARE is a third level alternative admissions scheme for school leavers whose disabilities have had a negative impact on their second level education. DARE offers reduced points places to school leavers who, as a result of having a disability, have experienced additional educational challenges in second level education.

TUS welcomes and encourages applications from people with disabilities/specific learning difficulties. Our aim is to ensure that all applicants are offered an opportunity to enter third-level education and to complete their studies successfully. Applicants should apply via the Central Applications Office (CAO) and indicate on the application that they have a disability/specific learning difficulty which is the basis for seeking reasonable accommodations or support in either the application process or their college course. More information on DARE is available from your school Guidance Counsellor or TUS Disability Support Service Co-ordinators:

## Higher Education Access Route (HEAR)

HEAR is a college and university admissions scheme for school leavers from socio-economically disadvantaged backgrounds who have completed the Irish Leaving Certificate. Eligible students compete for a quota of reduced points places in the colleges involved with HEAR. Students who gain a college or university place through HEAR also get a range of personal, academic and social supports while they are studying at third level. More information on HEAR is available from:

# Learn more about studying at TUS

**Our doors are always open, and we host many events throughout the year at our campuses in Athlone, Limerick City, Thurles, Clonmel and Ennis where you'll get an opportunity to explore our campuses and view our superb facilities at first hand.**

From Open Days and Taster events to Engineering and Computing workshops, our schools' programmes are tailor-made for prospective students and will provide you with valuable opportunities to undertake meaningful course research, helping to make informed CAO decisions.

## Here to help

We are here to help and our Student Recruitment and Engagement team welcome questions from students, parents, guardians and teachers about our courses, entry requirements, support services and student life in general at TUS. The more information you have, the better decision you can make!
